WHAT TO CREATE

Top themes and scenarios in technology

TECHNOLOGY ON THE GO

GLOBAL CONNECTION (GRAPHICS)

GREEN, SUSTAINABLE ENERGY

DATA CENTERS & SERVER ROOMS

INTERACTION WITH PERSONAL DEVICES

(PHONES, TABLETS, COMPUTERS, TV'S)

QUICK TIPS

Make the most of your technology shoot & maximize your sales potential

- Include people
- Shoot the most current devices
- Use creative techniques to hide logos and design elements to avoid brand infringement
- Work technology elements into other shoots like sports, lifestyle or business

CONCEPTUAL KEYWORDS

Don't just think descriptive - including relevant conceptual keywords ensures your content can be found in a wider range of searches

CONNECTION
INNOVATION

INFORMATION
COMMUNICATION

WIRELESS
RESEARCH
